What is a Maker Faire? For those who have not attended the Bay Area Maker Faire in San Mateo – Maker Faire is the “Greatest Show (and Tell) on Earth” that showcases makers, artists, inventors, tinkerers, builders, and many more innovative and creative individuals.

“We are excited to once again host the San Jose Mini Maker Faire.” says Alida Bray, President & CEO of History San José. “Makers have played such an important role in the history of San Jose and Santa Clara Valley. We are thrilled to celebrate this long tradition of making and highlight the amazing Makers in our community today!”

The global Maker Faire network created by MAKE magazine now encompasses Faires in over 120 cities around the world. This family-friendly event will inspire creativity in kids of all ages! Some of the Makers we will feature include beekeepers, robotics teams, wood carving, glassblowing, basket weavers, and some incredible performances!

The San Jose Mini Maker Faire will run on Sunday, September 4, 2016 from 10:00 AM to 6:00 PM at History Park. For more information, visit: www.makerfaresanjose.com.
